Foundation

organization
profile **JUNE 2017**

What is

Vision India Foundation?

VIF is a nation-building movement to identify, train and mentor the future leaders of the country. It particularly focuses on systemic tools like public policy and governance to bring a change, and engages bright, passionate youth in these domains.

Theory of Change

India of our
Dreams

Leaders Committed to
Nation-Building

Mentorship and
Support

Inspired and Informed
Youth

VIF was initiated by alumni and faculty members of various IITs. Today, more than 20 young change agents are working full-time with the organization.

The VIF Team

7 full-time members in executive team from premier institutes

15+ full-time fellows spread across the country

20+ mentors from government, academia, grassroots, industry

50+ campus ambassadors from India and outside
